We specifically design our camps for the leaders to interact with their students. Our camp will purposely put you and your students together in an environment that will allow you to engage and grow closer to your students.

May God bless you in your preparations for camp.... Wherever you go, we pray that God would give you great discernment and wisdom... The next generation is in your hands... and we know the hard work it takes to equip and lead in these days...

Greetings!

Is your youth group ready for an awesome week filled with Biblical teaching, praise and worship, and fun filled activities? If so, we have the place for you! Take a few minutes to check us out!

Building Lasting Relationships

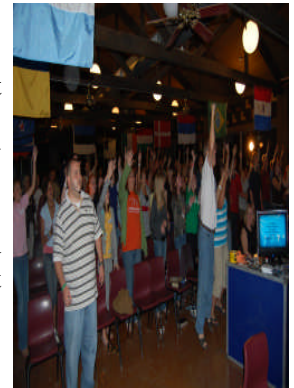

Our camp is designed for youth groups to grow in Christ while building lasting relationships. Each day there are opportunities for spiritual growth, team building, and praise and worship. The day starts with individual devotions and ends with an evening worship service. We will make sure every church group gets daily time to spend together... We will be praying for your group daily, as you meet, that God would speak to your leaders and students!

Worship and Solid Biblical Teaching

We will have a contemporary Worship everyday that will encourage everyone to “engage” our living God! Our teaching is very conservative ... yet is very interactive...

We teach the Word so youth can relate and understand what God wants for their life... Our teaching is not boring but will leave everyone thinking.

Missions

The Gospel is clearly proclaimed through our mission endeavors... Missions will be doing Back Yard Bible Clubs, surveying the community and giving a helping hand to those in need!

We will be equipping those to share their faith with confidence and boldness as they reach out to the needs of this community.

We will be training the youth to take missions home with them.

New Drama Track!

We will be offering a new drama track this year! Youth who are serious about learning drama will get hands-on experience on how to share their faith through drama. They will be able to take what they learn back to your youth group!

Many Recreational activities

This camp offers many recreational activities: Olympic size swimming pool, 350' water slide, Skating rink, 18 hole Putt-Putt golf, many sports, trails, game room, Fishing, etc...
